We want to know more about you and your educational or career plan. These questions are designed to guide you in revealing your strengths and communicating your goals. Please limit your answers, for each question, to 250 words (about half of a typed page).

1. Why did you pursue this area of study?
2. How does your education affect you as an individual and as a mother?
3. Have you participated in any activities that contribute to your community? If yes, what and for how long?
4. What are some of your outstanding qualities that you feel contribute to your success as a single parent woman?
5. Please list some ideas you have for how you can support Raise the Nation and single parent women in your community.
